PASCO, WASHINGTON

OCTOBER 30, 1958

Football Team Chooses Royalty

Judy Hett will reign over the 1958 CBC Homecoming. Her court of princesses consists of Donna Moe, Janis Moore, Linda Mitchell and Judy Delsing.

These girls were selected by the Hawks football team in a secret ballot last week from a list of finalists. The finalist consisted of Nancy Provins, Donna Moe, Janis Moore, Judy Hett, Linda Mabry, Nancy Shanks and Pat Todorovich, sophomores; along with Mary Cole, Judy Delsing, Gloria Held, Bobbie Burke, Nancy Shenefelt, and Linda Mitchell, all freshmen.

The sophomore class submitted a list of all sophomore girls and the freshman class nominated fourteen girls to run for royalty. There was a general ASB election to select finalists and then the final vote was left to the football team.

The big moments in the royal courts day will be the crowning of Queen Judy on the football field at halftime and the big Coronation Ball that same evening.

Queen Judy To Reign

By Judi Hamilton

Miss Judy Hett, daughter of Chaplain and Mrs. William R. Hett of Richland, was elected Queen of CBC's 2nd annual Homecoming.

Queen Judy was born in the city of Aurora, Illinois, April 22, 1939.

Her Sophomore, Junior and Senior Years were spent abroad with her parents in Nurnberg, Germany. Judy was Student Council Representative and Dorm Representative in her Sophomore year, Junior Dorm Representative and Junior Prom Chairman during her

Queen Judy I

Junior year, and in her Senior year she was GAA President and Senior Class Treasurer.

Queen Judy is quite the globe-trotter, she has been in eleven foreign countries including Switzerland, Iceland, Spain and France.

Judy, now a Sophomore at CBC, has participated in many school functions, among these are Ski Club, Pep Club, AWS, Bowling League and she is our hard working ASB Secretary.

Queen Judy has chosen for the dance, a beautiful white net strapless balerina length formal with silver pupms and she will be carrying a lovely bouquet of American Beauty Roses.

I asked Judy what her reaction was after being chosen Queen, her reply was "I was really thrilled."

Her plan for the future is becoming a Medical Technologist.

Surprised

Janis Moore

Young co-ed Janis Moore says, "I was really surprised to be chosen for Homecoming princess; I didn't even know anyone knew me out here."

Janis, with her dark eyes and long hair, needs not worry too much about anyone knowing she's around. She was born in Council, Idaho, March 22, 1939, and moved to Pasco from Lewiston, Idaho, 10 years ago.

This is Janis' first time at being a royalty in college, although she was the 1956 Sr. Ball Queen at Pasco High School.

Janis has chosen foreign language as her major with French being her favorite class. She would like to go into foreign affairs as a future occupation. She now works part time for her father.

Janis likes tennis, music, and reading as hobbies, and says she enjoys all her classes. When asked if she were looking forward to anything special during Homecoming, she said no, that everything would be exciting.

Not Unknown

Donna Moe

"I have never been so thrilled in all my life. I hope Homecoming will be a success and I'd like to wish the team lots of luck in future games. It is really an honor to be princess and I want to thank the student body and football team from the bottom of my heart for electing me." This is the reply Donna Moe gave when asked how she felt about being elected princess of the 1958 Homecoming.

Princess Donna, one of the two sophomore homecoming princesses, is a brown-eyed, brown-haired 19 year old with a bubbling personality. She was born September 14, 1939 in Mount Horeb, Wisconsin and has lived in Kennewick for 11 years.

At CBC she has belonged to Talons, student council, ski club, and the bowling team. She also is an active member of AWS and is the chairman of the decoration committee for the dance. Last year she was cheerleader. Donna is a loyal fan of the Hawks and attends every game when possible.

RAY CARTER, CBC Lineman, makes a devastating tackle. (Note the gritting teeth.)

Here's Hal's History

During the earlier years of his life, football coach Hal Akins attended John Rodgers High School where he participated as an all-around athlete in football, basketball, and track and was chosen for the all-city team in football and track (1940-41), placed 2nd in low hurdles (1941-42) at the state meet, and broadjumped in 1940.

Upon completion of high school, Hal entered Washington State College at 17, and gained recognition when he became a starter in both football and basketball. After completing his first half year of sport participation and studies at WSC, Hal enlisted in the Army and joined the paratroopers when he was 18.

After the war Hal returned to WSC and became a first-string starter on the varsity football team (1946-47), obtained honorable mention to the All-American team for his football abilities from the National Coaches Association (1947), and played halfback position for the New York Giants during the season of 1948. The following winter semester (1949-50), Hal returned to WSC for an education degree (B.E.) which he obtained, and a B.A. in art; he also helped coach the freshman football team.

Upon completion of college, Hal continued his coaching career at Bridgeport High School and Davenport High School. During his coaching seasons for Bridgeport, Hal led the basketball team to a 3rd place victory; he helped obtain the position of 2nd place for two years in a row in football

Dance To Climax Big Celebration

Highlight of the second annual Homecoming dance November 1, occurring under a "Harvest Moon" which is to be the theme, will be the crowning of the court by their escorts, the respective escorts being chosen by the girls themselves from members of the football team. The dance will be in the student lounge.

Queen Judy Hett and her court will reign. Reigning with Queen Judy will be sophomore princesses Donna Moe and Janis Moore and freshmen princesses Linda Mitchell and Judie Delsing.

Ken Davidson and his band will set the musical background for the dance which begins at 9:00 p.m. and runs till 1:00 a.m. Prices will be \$1.00 for couples and 75c for stag. Lynn Bryson was in charge of music and Naucy Shanks was publicity chairman.

The sophomore class, under the leadership of president Curt Jetton and the general chairmanship of Judy Hett and working with the ASB, has been in charge of homecoming.

(Tri-County League), coached the team to the Bi-County Basketball Championship (1945-46) and basketball divisional title two years in a row by help winning 10 out of 20 league games, and coached the tennis team to win the title twice and be runner-up one year, for Davenport High School (which was the smallest team in the B League).

As Hal has progressed from high school to college ball, his coaching has done a fine job in teaching the fundamentals

'Get 'im, Hog!'

Parade, Bonfire To Take Place

Welcome to CBC's annual homecoming, with a full schedule of fun and entertainment planned for the entire student body. The high spot of the festivities is, of course, the football game, at which the Hawks will play host to Everett at 2:00 Saturday afternoon, October 31. Then, at 8 p.m. Friday night, all loyal CBC fans will congregate at the parking lot in preparation for the car parade through the Tri-Cities. Three separate convertibles will be provided for the cheer leaders, song leaders, and the Queen and her Court. After a rousing tour of the area, everyone will return to the parking lot to participate in the huge bonfire, which will begin at 10 p.m.

Saturday promises to be a day of exciting variety, for this is the day of the game, as well as another car parade through the streets of Pasco shortly before the game. The parade will wind through the city and then proceed directly to Edgar Brown Memorial Stadium. An attempt is being made to secure a collection of a shiny, new cars for this rally, in an effort to recruit even more supporters for our school. A large percentage of the townspeople, as well as the entire student population, is expected to be on hand to watch the CBC Hawks down Everett, and to cheer the team on to victory.

of good, clean sportsmanship to the football players of Columbia Basin College.

Linda Mitchell Wishes Luck

"Me!!?" was Miss Linda Mitchell's reaction when she found out she was elected one of the freshman homecoming princesses.

This blonde with hazel eyes was born in Fort Smith, Arkansas on December 31, 1939.

The Mitchell's lived in Sallisaw, Oklahoma for four years before they decided to make Richland their permanent home.

Princess Linda attended Carmichael Jr. High where she was a cheerleader in her freshman year. Besides belonging to several clubs at Columbia High School, Miss Mitchell was vice-president of Pep Club and a songleader in her Senior Year. Linda graduated in 1958.

Linda plans to become a Home Economics teacher and desires to teach Junior High School students. Her next ambition is to attend summer school at Ellensburg.

Linda's favorite color is red while her favorite song is, "Little Nash Rambler." Her pet peeve is "people that can talk faster than I can."

Judie Delsing Knows Football

Judie Delsing is one of two elected freshman princesses for Columbia Basin College Homecoming 1958. Our princess is a brunett standing 5' 3½" tall.

Many royalty honors have been bestowed to Princess Judie prior to her election as a CBC homecoming princess. She has been a sophomore homecoming princess; four times a Demoley princess, and a princess for the Richland teenage club, Hi Spot.

Princess Judie was active in high school student government. She served as president of her home room and as a student council representative.

Judie is one girl who knows football. Her steady, Paul Ratch, plays for the CBC Hawks, and she was a high school cheerleader.

Judie, who is majoring in Interior Decorating, says she has no definite plans for the future as far as schooling is concerned. Other plans—she isn't talking.

When asked about her reaction after being told that she is a CBC homecoming princess, Judie said, "Honest! Not really Me!"
